[] The period between 21 and 25 May for appearance in executive session was suggested. Mr. Tavenner was shown an unclassified copy of a biographic sketch but the sketch was not left with him.

Mr. Tavenner was obviously quite pleased by the prospect and indicated that in his judgement he has the best Committee staff now that has ever been available to that Committee and any information we desired held in executive confidence he could insure would be withheld from publication. As Mr. Tavenner will be away from the office Monday and possibly Tuesday of next week, we will be back in contact with him upon his return.
